

**Memorial Health System, Springfield  
President, Mental Health Centers of Central Illinois &  
System Administrator, Behavioral Health**

Memorial Health System (MHS), located in Springfield, IL, announces the search for **System Administrator, Behavioral Health & President, Mental Health Centers of Central Illinois (MHCCI)**.

In this pivotal leadership role, the Administrator will serve in a dual role in providing administrative leadership to Memorial Medical Center's Department of Psychiatry, while serving concurrently as President of MHCCI. Assume overall responsibility for MHS's Regional Behavioral Health programs.

To successfully satisfy the challenge and requirements of this high profile position, qualifications include Bachelor's degree with an advanced degree in healthcare administration, public administration, business administration, or behavioral health field. Five (5) years of behavioral healthcare management experience is required and demonstrated experience working effectively with state agencies, allied behavioral healthcare providers, and the community. Understanding of community mental health reimbursement models and fee for service environment. Additionally, the candidate must possess superior leadership and management skills as well as the ability to work effectively with others within MHCCI and MHS.

MHS relies on a unified team effort to deliver superior services. If you share our passion for excellence, we invite you to consider joining our team! To submit your application and resume, please visit our website at [www.memorialcareers.com](http://www.memorialcareers.com).
